The John Abbass Sr. Memorial Scholarship Fund was established in the memory of John Abbass Sr. by Family Business Atlantic. This annual \$2,000 Scholarship is awarded to children, grandchildren, nieces and nephews of Family Business Atlantic members, or family business owners in Nova Scotia and helps promote post-secondary business education pursuits. Applications are reviewed by the Scholarship Committee, with the award disbursed to the winning candidate's post secondary educational institution.

John Abbass was a shining example of entrepreneurial spirit. He was a long-time member of Family Business Atlantic and built a legacy for his family and their business in Cape Breton, and beyond. John was an iconic figure within the Nova Scotia business and political community and was a strong proponent of the value of family enterprises. Among his many accomplishments, John founded Abbass Studios in 1946 and was a contract photographer for the Cape Breton Post. He was involved in the Progressive Conservative party, serving as provincial party president from 1985 to 1988. In 2006, the provincial party named him honorary president. John Abbass is synonymous with photography, and as a champion for Cape Breton. The prominent Sydney, Nova Scotia businessman became a household name as owner of Abbass Studios, a business that is carried on today by members of his family.
